UNITED STATES JUDICIAL PANEL
on
MULTIDISTRICT LITIGATION

NOTICE OF HEARING SESSION

Pursuant to the order of the United States Judicial Panel on Multidistrict Litigation filed today, notice is hereby given that a hearing session has been scheduled to consider various matters pursuant to 28 U.S.C. § 1407.

DATE OF HEARING SESSION: **January 30, 2014**

LOCATION OF HEARING SESSION: Hale Boggs Federal Building
United States Courthouse
Courtroom C-501, 5th Floor
500 Poydras Street
New Orleans, Louisiana 70130

TIME OF HEARING SESSION: In those matters designated for oral argument, counsel presenting oral argument must be present at **8:00 a.m.** in order for the Panel to allocate the amount of time for oral argument. Oral argument will commence at **9:30 a.m.**

SCHEDULED MATTERS: Matters scheduled for consideration at this hearing session are listed on the enclosed Hearing Session Order and Schedule of Matters for Hearing Session.

- Section A of this Schedule lists the matters designated for oral argument and includes all actions encompassed by Motion(s) for transfer filed pursuant to Rules 6.1 and 6.2. Any party waiving oral argument pursuant to Rule 11.1(d) does not need to appear at the Hearing Session.
- Section B of this Schedule lists the matters that the Panel has determined to consider **without oral argument**, pursuant to Rule 11.1(c). Parties and counsel involved in these matters need not attend the Hearing Session.

ORAL ARGUMENT: The Panel carefully considers the positions advocated in filings with the Panel when it allocates time to attorneys presenting oral argument. The Panel, therefore, expects attorneys to adhere to those positions (including those concerning an appropriate transferee district). Any change in position should be conveyed to Panel staff before the beginning of oral argument. Where an attorney thereafter advocates a position different from that conveyed to Panel staff, the Panel may reduce the allotted argument time and decline to hear further from that attorney.

For those matters listed on Section A of the Schedule, the "Notice of Presentation or Waiver of Oral Argument" must be filed in this office no later than **January 13, 2014.** The procedures governing Panel oral argument (Panel Rule 11.1) are attached. The Panel strictly adheres to these procedures.

FOR THE PANEL:

Jeffery N. Lüthi
Clerk of the Panel

cc: Clerk, United States District for the Eastern District of Louisiana

RULE 11.1: HEARING SESSIONS AND ORAL ARGUMENT

(a) Schedule. The Panel shall schedule sessions for oral argument and consideration of other matters as desirable or necessary. The Chair shall determine the time, place and agenda for each hearing session. The Clerk of the Panel shall give appropriate notice to counsel for all parties. The Panel may continue its consideration of any scheduled matters.

(b) Oral Argument Statement. Any party affected by a motion may file a separate statement setting forth reasons why oral argument should, or need not, be heard. Such statements shall be captioned "Reasons Why Oral Argument Should [Need Not] Be Heard" and shall be limited to 2 pages.

(i) The parties affected by a motion to transfer may agree to waive oral argument. The Panel will take this into consideration in determining the need for oral argument.

(c) Hearing Session. The Panel shall not consider transfer or remand of any action pending in a federal district court when any party timely opposes such transfer or remand without first holding a hearing session for the presentation of oral argument. The Panel may dispense with oral argument if it determines that:

(i) the dispositive issue(s) have been authoritatively decided; or

(ii) the facts and legal arguments are adequately presented and oral argument would not significantly aid the decisional process.

Unless otherwise ordered, the Panel shall consider all other matters, such as a motion for reconsideration, upon the basis of the pleadings.

(d) Notification of Oral Argument. The Panel shall promptly notify counsel of those matters in which oral argument is scheduled, as well as those matters that the Panel will consider on the pleadings. The Clerk of the Panel shall require counsel to file and serve notice of their intent to either make or waive oral argument. Failure to do so shall be deemed a waiver of oral argument. If counsel does not attend oral argument, the matter shall not be rescheduled and that party's position shall be treated as submitted for decision on the basis of the pleadings filed.

(i) Absent Panel approval and for good cause shown, only those parties to actions who have filed a motion or written response to a motion or order shall be permitted to present oral argument.

(ii) The Panel will not receive oral testimony except upon notice, motion and an order expressly providing for it.

(e) Duty to Confer. Counsel in an action set for oral argument shall confer separately prior to that argument for the purpose of organizing their arguments and selecting representatives to present all views without duplication. Oral argument is a means for counsel to emphasize the key points of their arguments, and to update the Panel on any events since the conclusion of briefing.

(f) Time Limit for Oral Argument. Barring exceptional circumstances, the Panel shall allot a maximum of 20 minutes for oral argument in each matter. The time shall be divided among those with varying viewpoints. Counsel for the moving party or parties shall generally be heard first.
