28 U.S.C. § 2112 the Period October 1, 2013 to September 30, 2014

## STATISTICAL YEAR SUMMARY OF TRANSFER OF CASES UNDER 28 U.S.C. § 1407

During the twelve-month period ending September 30, 2014, 53,103 civil actions were subjected to coordinated or consolidated proceedings established by the United States Judicial Panel on Multidistrict Litigation, pursuant to 28 U.S.C. § 1407. Specifically, the Panel transferred 6,120 cases that were pending in 90 district courts to 46 transferee districts for inclusion in a multidistrict litigation docket. Another 46,983 actions were filed directly in transferee districts. Additionally, the Panel declined to transfer a total of 323 actions that were the subject of 46 motions for centralization.

The Panel centralized 46 new multidistrict litigation dockets in the twelve months ending September 30, 2014. The thirteen antitrust dockets created comprised approximately a quarter of these new MDL dockets, while the six new products liability dockets and the six new sales practices dockets comprised another quarter of the newly centralized dockets. Other notable dockets include six consumer privacy litigations, involving violation of the Telephone Consumer Protection Act (four dockets) and customer data security breaches (two dockets).

Since the creation of the Panel in 1968, there have been 515,594 civil actions centralized for pretrial proceedings. As of September 30, 2014, a total of 13,911 actions had been remanded for trial, 398 actions had been reassigned within the transferee district, and 373,581 actions had been terminated in the transferee court. At the end of this statistical year, there were 127,704 actions pending in 58 transferee district courts.

**313 PENNSYLVANIA EASTERN**

*18 Litigations*

875 Asbestos PL (No. VI)\*

Robreno, E.C.

*Note:* From 1993 until March 2011 , the JPML tracked the number of cases where the termination status value of Returned/Claims Remain was used to distinguish those cases where certain punitive damage claims were retained by the transferee district court while the remainder of the claims were returned to the transferor courts. Those claims remaining in the transferee court have subsequently been resolved and the status for those 828 cases has been updated to Closed.
