MULTIDISTRICT LITIGATION**

IN RE: HENRY L. KLEIN LITIGATION

MDL No. 2423

ORDER DISPENSING WITH ORAL ARGUMENT

Presently before the Panel is a motion by plaintiff Henry L. Klein for centralization of two actions. The matter is currently set for oral argument at the Panel's January 31, 2013, hearing session in Orlando, Florida.

The Panel has determined that the facts and legal arguments are adequately presented and oral argument would not significantly aid the decisional process. The Panel will, therefore, dispense with oral argument in this matter under Panel Rule 11.1(c). The matter will be considered upon the basis of the pleadings submitted.

IT IS THEREFORE ORDERED that, pursuant to Panel Rule 11.1(c), oral argument is dispensed with, and plaintiff Henry Klein's motion for centralization will be considered by the Panel upon the basis of the parties' briefs.

FOR THE PANEL:

Jeffery N. Lüthi
Clerk of the Panel
