Summary of Multicircuit Petitions Consolidated Under
28 U.S.C. § 2112 the Period October 1, 2014 to September 30, 2015

STATISTICAL YEAR SUMMARY OF TRANSFER OF CASES UNDER 28 U.S.C. § 1407

During the twelve-month period ending September 30, 2015, 37,667 civil actions were subjected to coordinated or consolidated proceedings established by the United States Judicial Panel on Multidistrict Litigation, pursuant to 28 U.S.C. § 1407. Specifically, the Panel transferred 8,728 cases that were pending in 91 district courts to 39 transferee districts for inclusion in a multidistrict litigation docket. Another 28,939 actions were filed directly in transferee districts. Additionally, the Panel declined to transfer a total of 307 actions that were the subject of 47 motions for centralization, although three of those motions contained 27 actions that were consolidated into another newly-centralized docket focusing on herbal supplements.

The Panel centralized 38 new multidistrict litigation dockets in the twelve months ending September 30, 2015. Ten products liability dockets comprised over a quarter of these new MDLs, and another six consumer privacy litigation dockets involved customer data security breaches (five) or the violation of the Telephone Consumer Protection Act (one).

Since the creation of the Panel in 1968, there have been 553,249 civil actions centralized for pretrial proceedings. As of September 30, 2015, a total of 15,844 actions had been remanded for trial, 398 actions had been reassigned within the transferee district, and 404,219 actions had been terminated in the transferee court. At the end of this statistical year, there were 132,788 actions pending in 57 transferee district courts.

CUMULATIVE SUMMARY OF MULTIDISTRICT LITIGATION

CUMULATIVE SUMMARY OF MULTIDISTRICT LITIGATION

<p>Note: From 1993 until March 2011 , the JPML tracked the number of cases where the termination status value of Returned/Claims Remain was used to distinguish those cases where certain punitive damage claims were retained by the transferee district court while the remainder of the claims were returned to the transferor courts. Those claims remaining in the transferee court have subsequently been resolved and the status for those 828 cases has been updated to Closed.</p>
